

A technical line drawing of a boat hull section, showing the internal structural ribs and a solid block. The drawing is oriented vertically, with the hull's outer curve on the right and the internal structure on the left. A label 'HOLLOW AS SHOWN' points to the upper part of the hull. Another label 'SOLID BLOCK' points to a rectangular block within the hull structure. A third label 'ALL RIBS 3/32" Balsa' points to the ribs. A small detail of a rib is shown to the right of the main hull section.
