

A hand-drawn architectural sketch of a building facade. The drawing is done in black ink on a white background. It shows a two-story structure with a flat roof. The upper story has two large rectangular windows. The lower story has two smaller rectangular windows, each labeled with a letter and a number. To the right of these windows is a door. Below the windows and door is a row of three small, square windows. The drawing is simple and appears to be a preliminary sketch.
