

A hand-drawn technical sketch on a white sheet of paper. The sketch includes several lines: a solid line at the top left, a dashed line sloping upwards from left to right, and two parallel solid lines sloping upwards from left to right. Below these, there are two more parallel solid lines, and a final solid line at the bottom. The text 'longeron dépron 3mm' is written between the two parallel lines above, and 'chants dépron 3mm' is written between the two parallel lines below. The lines are drawn with a black pen or marker.
